

Technical Circular

No.: 056/2018 Date: 30th July 2018

To whomsoever it may concern

<u>Subject: RMI ship security advisory reg. Guidance provided by Combined</u> Maritime Forces on Maritime Security Transit Corridor.

- Republic of Marshall Islands has issued ship security advisory no. 07-18 informing about Guidance provided by Combined Maritime Forces (CMF) on Maritime Security Transit Corridor.
- Combined Maritime Forces (CMF) is a multi-national naval partnership founded in 2002; to promote security, stability and prosperity across approximately 3.2 million square miles of international waters mainly focusing on defeating terrorism, preventing piracy, encouraging regional cooperation, and promoting a safe maritime environment.
- Recent attacks against merchant shipping in the Gulf of Aden and Bab Al Mandeb have highlighted the risks associated with transiting these waters. The Combined Maritime Forces has established a Maritime Security Transit Corridor (MSTC) to protect merchant ships navigating in these regions.
- The purpose of MSTC is to provide a recommended merchant traffic route around which multi-national Naval Forces can focus their presence and surveillance efforts. The MSTC consists of:
 - 1. The Internationally Recommended Transit Corridor (IRTC)
 - 2. The BAM Traffic Separation Scheme (TSS) and the TSS West of the Hanish Islands
 - 3. A two-way route directly connecting the IRTC and the BAM TSS
- Ship Owners and operators are advised to take note of above and be guided by attached guidance.
