The Joint Concentrate Inspection Campaign will be held by MOUs (Tokyo, Paris and Indian) for three months, commencing from September 01, 2018 to November 30, 2018.

The Port State Control Offices (PSCOs) will use a list of eleven (11) selected questions developed by the Tokyo and Paris MOU's to assure that equipment carried onboard complies with the relevant statutory certificates, the master and officers are qualified and familiar with operations and that equipment is properly maintained and functioning.

When deficiencies are found, actions by the port State may vary from recording a deficiency and instructing the master to rectify it within a certain period of time to detaining the ship until serious deficiencies have been rectified.
