

IMO DATA COLLECTION SYSTEM

A new regulation 22A is added in MARPOL Annex VI Ch.4 on “Collection and reporting of ship fuel oil consumption data” and has entered into force from 1st March 2018

Under this regulation, ships of 5,000 gross tonnage and above on international voyages are required to collect and report data on fuel oil consumption, as well as distance travelled and hours underway

IMO DATA COLLECTION SYSTEM

IRClass Services

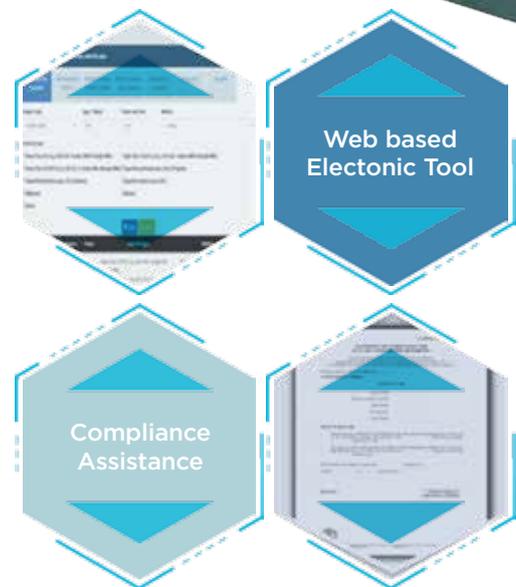

Acting as a Recognized Organisation to Flag Administration:

- IRS can examine SEEMP that it complies with Res. MEPC. 282(70) and issue a Confirmation of Compliance as required by Reg. 5 of MARPOL Annex VI
- IRS can verify the fuel oil reported data and issue Statement of Compliance as required by Reg. 6 of MARPOL Annex VI

To help the shipping industry in preparing for the new regulation, IRS has prepared Guidance Document and Web based Electronic Tool.

Features of the Electronic tool:

- Password protected portal with secure data
- Development of SEEMP in IMO prescribed format
- Manage the SEEMP of all ships of a fleet under one dashboard
- Data collection and reporting also available under same platform.

IRCLASS Academy can arrange tailor-made awareness workshops as desired to impart training on IMO Data Collection System
