Merchant Shipping Notice 08 of 2020

Subject: Monitoring of Indian Flagged Vessels - reg.

This Directorate has received inputs that in certain instances, assistance sought by Indian vessels have not always been promptly forthcoming when the vessels are not in Indian waters.

2. As Indian flagged ships operate on a worldwide basis, regular monitoring of Indian ships could improve the response times in case of any exigency. Since regular reports are generally not provided by all Indian flagged vessels, it would be useful if regular updates are provided, so that effective monitoring to deal with requests for assistance in International waters can be processed.

3. In view of the foregoing, Indian flag vessels are requested to provide updates at the following email ids regarding the type of incidents indicated in the reporting template given in the Annex.

1. dgcommcentre-dgs@nic.in

2. dno@navy.gov.in

3. mrcc-west@indiancoastguard.nic.in

6. This issues with approval of Director General of Shipping and Additional secretary to Government of India.
