COVID-19 Request for Postponement - Extension of Statutory Certification & Services

MMN-07/2020

This Merchant Marine Notice has the purpose to inform all ships' owners/operators, Recognized Organizations and other interested parties on how to proceed in case of request for postponement-extension of statutory certification & services.

As the World Health Organization (WHO) declared the outbreak of the novel coronavirus a pandemic, it is vital that all governments remind that around 90% of global trade is transported by commercial shipping, which moves the world's food, energy and commercial goods (among them medical supplies).

It is our intention to contribute to keep maritime trade moving in this time of global crisis, in particular by facilitating the postponement-extension of all statutory certification, all survey services including ISM Code/ISPS Code audits and inspections related to MLC, 2006, in addition this is also applicable to Annual Safety Inspection (ASI) established by our flag, these exceptional measures are taken essentially in response to the current shut-downs, lock downs, and travel restrictions, implemented by several States worldwide.

The Panama Maritime Authority, committed to preserve the safety on board and the prevention of oil pollution allows its Recognized Organizations to act accordingly in the following scenarios during March and August 2020:

1. **Statutory Certificates, inspections, and audits:** Exceptionally postpone/extend all surveys (except bottom surveys, please refer to paragraph 8 below), audits and inspections for a period of three (3) months from certificate or window expiry date, subject to a subsequent revalidation or reinstatement of the correspondent certificate, therefore:
 - a. The RO shall ensure that all statutory certificates remain valid using remote surveys or visits whenever is possible. However, in those cases that a remote survey or visits are not possible to be carried out,

the RO is authorized to maintain the validity of the statutory certificate for the grace period aforementioned. All records justifying each case according to the circumstances shall be kept and remain available to any Port State Control Authority and as well as this Administration.

- b. Furthermore, in case of MLC remote inspections, the Recognized Organization should ensure that the MLC financial securities remain valid during the extended period (see Standard A2.5.2 and Standard A4.2).

It is highly requested the cooperation and prompt communication to this Administration in case of facing any difficulty or inconveniences during this time, to enabling us to act as quick as possible with the required assistance (see contacts table below).

2. **Equipment Services:** services and expiry date of life saving appliances, navigation and firefighting equipment's are allowed for an immediate extension valid for three (3) months subject to the agreement of the Recognized Organization. Extensions required for a longer period will be granted on a case by case basis, according to the circumstances, provided that supporting evidence of each case is presented to extensions@segumar.com or the Segumar Office of your convenience (see contacts table below).
3. **Conditional Certificates and Malfunctions on board:** Ship-owners/operators of those ships currently holding a Conditional Certificate related to a deficiency or damage onboard, shall contact us if the necessary malfunction, repair or administrative related matter is not possible to rectify, carry out or be provided; an email along with supporting evidence of each case shall be sent to conditionals@segumar.com or the Segumar Office of your convenience (see contacts table below). Please make sure the Recognized Organization responsible to issue the correspondent certificates is agree with the conditions on board.
4. The validity of all statutory certificates (except for Conditional Certificates) are extended exceptionally for three (3) months, including among them:
 - a. Maritime Labour Certificate (MLC, 2006)
