

CERTIFICATE COURSE IN HATCH COVER INSPECTION AND MAINTENANCE

COURSE OBJECTIVES-

Enhance understanding of hatch covers, covering their functions, types, maintenance, and safety protocols for effective operation and maintenance at sea.

ABOUT THE COURSE-

This course delves into the critical aspects of hatch covers, emphasizing their functions, types, and common issues such as leakage problems. Participants learn about the proper use of sealing tape and foam fillers, along with leak detection tests, monitoring, and inspection procedures.

Additionally, the course covers heavy weather precautions and safety measures when working with hatch covers, ensuring participants gain comprehensive knowledge to maintain and operate these essential components safely and effectively.

PARTICIPANTS-

Deck Officers, Engineers / For Bulk Carrier Vessels

DURATION-

Two days

KEY OBJECTIVES-

- Hatch covers and their functions
- Types of hatch covers
- Leakage problems
- Use of sealing tape and foam fillers
- Leak detection tests
- Monitoring, inspection and repair
- Heavy weather precautions
- Safety when working with hatch covers

TRAINERS

SANJIVA MEHTA

Engr. Sanjiva Mehta, a seasoned maritime professional with over 20 years of training experience, brings a wealth of expertise to the field. Formerly with FOSMA Training Institute and Wallem Maritime, he specializes in ME Engines, Fuel Optimization, and safety management. With a background as a Chief Engineer, his leadership and technical prowess make him a valuable asset in shaping maritime education and training initiatives. His tenure as Head of Wallem Training Institute underscores his commitment to excellence in training and development within the maritime industry.

CAPT SUNIL SHUKLA

Captain Shukla, a Certified Trainer for the Marine industry, demonstrates a steadfast commitment to enhancing competency and skill development. With over 4 years of experience, he excels in delivering modular training onboard and via electronic platforms, adapting to evolving educational methods. His expertise includes comprehensive Human Resources training, particularly in QHSE practices. Additionally, he conducts SOP inductions to ensure industry best practices are integrated into maritime operations, reflecting his dedication to fostering a proficient and safety-conscious workforce.

CAPTAIN SARABDEEP SINGH MANCHANDA

Captain Sarabdeep Singh Manchanda, a seasoned maritime professional with 19 years of experience, has excelled in roles ranging from Sailing Master to Marine Auditor/Trainer. With extensive expertise in Dry and Tanker Operations, he has conducted numerous inspections, audits, and onboard training assignments, ensuring safety and operational excellence at sea. His dedication to continuous learning is evident through the completion of over 200 hours of training in critical areas like BTM, ECDIS, SIRE, Gas Tanker Operations, SMS Compliance, and Bridge Resource Management, making him a valuable asset to the maritime industry.
