

# ONE DAY HAZMAT INVENTORY EXPERT REFRESHER TRAINING COURSE

## COURSE OBJECTIVES

On completion of the course, the participants will:  
Enhance their awareness in the latest changes and will refresh the contents of the resolution s revised and will use the correct Assessment of Hazardous Material on board the vessel .This is a very good opportunity for the existing experts who have done the course over 3 years .course duration is one day only

## ABOUT THE COURSE

The vessels need to transport cargo and navigate globally. There has been an IMO adopted Hong Kong Convention which requires inventory of the HAZMAT on board the vessel after it comes in force as well as EU requires and soon required by the Hong Kong convention when it comes in force in June 2025 such inventory on board internationally when the convention is in force , though PSC would only start checking five years after in force dates .

## PARTICIPANTS

All Those persons who wants to refresh the course with the latest amendments and changes since last done who peruse a carrier in preparation of the HAZMAT inventory in accordance with the latest MEPC Resolution 379(80) and serve the owners to have a proper inventory of Hazardous material on board the vessel duly approved by the RO
