

CERTIFICATE COURSE IN HATCH COVER INSPECTION AND MAINTENANCE

COURSE OBJECTIVES-

The training enhanced understanding of hatch covers, including their functions, types, operational requirements, and maintenance procedures. It also emphasized safety protocols and best practices to ensure safe, efficient, and reliable hatch cover operation and maintenance at sea.

ABOUT THE COURSE-

This course delves into the critical aspects of hatch covers, emphasizing their functions, types, and common issues such as leakage problems. Participants learn about the proper use of sealing tape and foam fillers, along with leak detection tests, monitoring, and inspection procedures.

Additionally, the course covers heavy weather precautions and safety measures when working with hatch covers, ensuring participants gain comprehensive knowledge to maintain and operate these essential components safely and effectively.

PARTICIPANTS-

Deck Officers, Engineers / For Bulk Carrier Vessels

DURATION-

Two days

KEY OBJECTIVES-

- Hatch covers and their functions
- Types of hatch covers
- Leakage problems
- Use of sealing tape and foam fillers
- Leak detection tests
- Monitoring, inspection and repair
- Heavy weather precautions
- Safety when working with hatch covers

TRAINERS

CAPT TANUJ BALANI

Captain Tanuj Balani, an experienced maritime professional, brings extensive expertise to his role as a trainer. With a background as a Master Mariner and advanced diplomas including an MBA and Masters's Certificate of Competency, he is well-equipped to deliver high-quality training. Tanuj's experience as a Nautical Course officer approved by DG Shipping in India highlights his commitment to education, offering courses for Oil & Chemical Tanker and other STCW courses. His diverse background and continuous learning make him a skilled and knowledgeable trainer in the maritime industry.

CAPT SUNIL SHUKLA

Captain Shukla, a Certified Trainer for the Marine industry, demonstrates a steadfast commitment to enhancing competency and skill development. With over 15 years of experience as a trainer, he excels in delivering modular training onboard and via electronic platforms, adapting to evolving educational methods. His expertise includes comprehensive Human Resources training, particularly in QHSE practices. Additionally, he conducts SOP inductions to ensure industry best practices are integrated into maritime operations, reflecting his dedication to fostering a proficient and safety-conscious workforce.
