

CERTIFICATE COURSE IN PORT OPERATIONS MANAGEMENT - PORT HEDLAND

COURSE OBJECTIVES-

This course focused on ensuring compliance with port schedules, operational guidelines, and safety protocols during port operations. Key topics included effective main engine utilization, Under Keel Clearance (UKC) management, safe mooring practices, and preparedness for Port State Control (PSC) inspections to ensure safe and efficient vessel operations.

ABOUT THE COURSE-

This course focuses on the operational requirements and safety protocols essential for bulk carrier operations in Port Hedland. Covering topics such as compliance with port schedules, mooring guidelines, and safe practices during tow line handling and working at heights, it provides participants with crucial insights for navigating port operations safely and efficiently.

Additionally, the course addresses key aspects like UKC in channels, timely ballast discharge, and Port State Control inspections, ensuring a comprehensive understanding of the operational challenges and regulatory compliance necessary for successful port operations.

PARTICIPANTS-

Deck Officers, Engineers

DURATION-

Two days

KEY OBJECTIVES-

- Why is Port Headland So Important
- Compliance with port schedule
- Compliance with port guidelines on Main engine utilization
- UKC in channel
- Unsafe practices by ship's crew when handling tow lines
- Mooring Guidelines
- Timely discharge of hold ballast & Planning correct loading sequence
- Hold entry–Crew working in Cargo Holds
- Unsafe practices by ship's crew when working at heights
- Port State Control
- Pilotage

TRAINERS

CAPT TANUJ BALANI

Captain Tanuj Balani, an experienced maritime professional, brings extensive expertise to his role as a trainer. With a background as a Master Mariner and advanced diplomas including an MBA and Masters's Certificate of Competency, he is well-equipped to deliver high-quality training. Tanuj's experience as a Nautical Course officer approved by DG Shipping in India highlights his commitment to education, offering courses for Oil & Chemical Tanker and other STCW courses. His diverse background and continuous learning make him a skilled and knowledgeable trainer in the maritime industry.

CAPT SUNIL SHUKLA

Captain Shukla, a Certified Trainer for the Marine industry, demonstrates a steadfast commitment to enhancing competency and skill development. With over 15 years of experience as a trainer, he excels in delivering modular training onboard and via electronic platforms, adapting to evolving educational methods. His expertise includes comprehensive Human Resources training, particularly in QHSE practices. Additionally, he conducts SOP inductions to ensure industry best practices are integrated into maritime operations, reflecting his dedication to fostering a proficient and safety-conscious workforce.
